

# Sliding Scale Chart

Once you've reviewed the Sliding Scale Worksheet (found on our membership page: [civichall.org/community-and-membership/](http://civichall.org/community-and-membership/)) and determined your Net Monthly Household Income (NMHI), please use this chart to identify the sliding scale rate that you qualify for. For those willing and able to pay above the market rate prices, your higher rate will support those less able to afford these fees. **Paying above market rate is optional!**

Net Monthly Household Income (NMHI)	Monthly Membership Prices (\$)			Monthly Membership Prices (%)		
	Network	Part-Time	Full-Time	Network	Part-Time	Full-Time
